

1 decline, Cary, just so you know.

2 MR. ICHTER: Oh, just --

3 MS. LAROSS: Just in case, huh?

4 MR. ICHTER: Just in case, yeah.

5 MS. LAROSS: Don't expect to change my  
6 mind. Okay. All right, everyone, I would just  
7 like to take a couple of minutes. I think --  
8 Mr. Digges, I think we're done, but let me just  
9 check my notes and make sure we are. So if we  
10 could go off the record just for a couple more  
11 minutes.

12 THE WITNESS: All right. Thank you.

13 MR. ICHTER: Okay.

14 (A short break was taken from 12:13 p.m. to  
15 12:18 p.m.)

16 (Exhibit No. 6, Bullet point sheet, was  
17 marked for identification purposes.)

18 BY MS. LAROSS:

19 Q. Okay. Mr. Digges, could you go ahead and  
20 refresh your exhibits and take a look, if you would, at  
21 Exhibit 6.

22 A. All right. Name's spelled right. Don't mind  
23 my scribble.

24 Q. Sorry. Say it again.

25 A. I said don't mind my scribble.

1 Q. Okay. All right. So you've had a chance to  
2 look at what's been marked as Exhibit 6?

3 A. Yes, I've been looking at it all -- all day  
4 so far.

5 Q. Okay. So that's the bullet point sheet that  
6 you've referred to during --

7 A. Yeah.

8 Q. -- your deposition in testifying and as well  
9 as a document that you've looked at --

10 A. Yes.

11 Q. -- during your deposition; correct?

12 A. Uh-huh.

13 Q. You'll have to say yes or no.

14 A. Yes. Yes. I'm sorry.

15 Q. Thank you. Thank you. Okay. So I know you  
16 said "don't mind my scribbles," but let me make sure we  
17 know what you mean. So you marked that BMD equals new.  
18 Is that your handwriting there?

19 A. Yes.

20 Q. Okay. And is that something that you -- a  
21 note that you made prior to your deposition?

22 A. Huh? No. Prior to this deposition?

23 Q. I'm sorry. Yes, before -- did you make that  
24 note before --

25 A. Yes. Yes.

1 Q. -- your deposition?

2 A. Yeah, I just wasn't sure whether -- there's  
3 DRE and BMD, and I just wanted to make sure that I had  
4 a little tickler there to remind me which was which.  
5 That's all.

6 Q. Okay. So then the BMD that you're referring  
7 to, that's the ballot marking devices --

8 A. Yeah.

9 Q. -- used here in Georgia --

10 A. Yeah.

11 Q. -- correct?

12 A. The machines, yeah.

13 Q. Okay. And we've referred to them in your  
14 deposition as the new machines in Georgia; is that --

15 A. Yeah. And that helped, but I just wanted to,  
16 you know, make sure that should the terminology come up  
17 that I understood which ones that we were talking  
18 about.

19 Q. Okay. And then your note where it says  
20 privacy, could you read that note to us?

21 A. Yeah, privacy -- well, the big screens -- and  
22 I don't know if we brought this up, but those big  
23 screens are not very private, you know, in those public  
24 places. And it's possible for other people to see what  
25 you're voting on. And that was another issue. I don't

1 think I brought it up, but I had it there just in case.  
2 But I didn't remember it, so writing it down was kind  
3 of . . .

4 Q. Okay. So that is another -- when you -- I do  
5 think that, during your deposition, you talked -- you  
6 referred to privacy.

7 A. Yeah.

8 Q. But if -- Go ahead and explain to us what, in  
9 your mind, the privacy issue is.

10 A. Well, they are too large, and they can be  
11 seen by others. That's just -- And that's the only  
12 issue I have is that someone else can see what I'm  
13 voting on.

14 Q. Okay. So have -- But you've never actually  
15 seen the screens yourself; correct?

16 A. I've watched the films and the like of them,  
17 yes.

18 Q. Okay. But you've not stood at the screen  
19 yourself --

20 A. That's correct.

21 Q. -- physically and no personal experience with  
22 the BMDs or the big screens that you refer to; correct?

23 A. That's correct.

24 Q. And then there -- your note also says  
25 about -- it goes on -- and I'd rather have you read it

1 than have me get it incorrect. It says privacy big  
2 screens and then what does it say after that?

3 A. QR codes -- bar codes. I just wanted to  
4 remember the type of bar code it was.

5 Q. Okay. Is there --

6 A. I didn't want to call it what it wasn't.

7 Q. Okay. And that's what you've referred to as  
8 QR codes in -- during your deposition; correct?

9 A. Yeah. The little square jobbers that we're  
10 using, yeah.

11 Q. Okay. And --

12 A. I had --

13 Q. Sorry. Say that again.

14 A. I had to look it up.

15 Q. Okay. And you looked it up just before your  
16 deposition just to get ready; is that right?

17 A. Yeah. Well, yeah. You don't go to a meeting  
18 unprepared, you know, and so that's just a habit I  
19 have.

20 Q. Okay. And on that document, I -- we have  
21 placed a sticker WD 0006. I want to make sure that  
22 I've not covered up anything on your original; is that  
23 right?

24 A. You didn't.

25 Q. Have I covered up anything or no?

1 A. No.

2 Q. Okay. And then to the left of the exhibit  
3 sticker, if you could read what your handwritten note  
4 is there.

5 A. Dr. Halderman. I just wanted to remember his  
6 name in case the -- you know, the situation with him,  
7 the testing and all that came up. And I have a little  
8 trouble with names, so I try to . . .

9 Q. Okay. So what's your knowledge of what Dr.  
10 Halderman has done in this case?

11 A. Well, I know he got a hold of, I guess, the  
12 new machines and he tested them and that he found some  
13 issues, and that's about it.

14 Q. Do you have any understanding of what issues  
15 he's found?

16 A. No.

17 Q. And so have you ever reviewed any report that  
18 he's prepared in this case?

19 A. No. Well, previous reports perhaps but not  
20 his latest stuff.

21 Q. Okay. But previous reports during this  
22 litigation or in connection with other --

23 A. When he testified.

24 Q. Excuse me?

25 A. He came in and demonstrated the machines

1 earlier, the old machines, if you will. He testified,  
2 and, you know, I read some of his stuff then to see  
3 what he was about.

4 Q. Have you read any report by him since the  
5 time that he testified?

6 A. No.

7 Q. And there's a handwritten note below Dr. --  
8 the reference to Dr. Halderman. What does that say?

9 A. That's not -- That's not associated with Dr.  
10 Halderman. That was just a reminder for me to ask  
11 for -- if you refer to a document, that I should ask  
12 you to see it. And you've done real good there.

13 Q. Okay. Good. Yeah, it's -- again, we want  
14 you to have a chance to look at documents and I know  
15 that typically --

16 A. Yeah, I just -- you know, again, there was  
17 some uncertainty before this about what would happen  
18 seeing as how I've never done it, so.

19 MS. LAROSS: Well, you're now finished.

20 That's all that -- Those are all the questions I  
21 have. And Mr. Digges, thank you for your time.  
22 I appreciate it.

23 THE WITNESS: You're welcome. Thank you.

24 MS. LAROSS: You're welcome.

25 MR. ICHTER: You're now a veteran of

1 litigation.

2 THE WITNESS: Thanks, guys.

**COALITION PLAINTIFFS' STATEMENT  
ON WILLIAM DIGGES**

The Coalition Plaintiffs submit this Statement in response to this Court's direction in its July 2, 2019 Order:

As the Coalition Plaintiffs have indicated that Plaintiff William Digges III, who has substantial database experience, was expected to lead the Coalition Plaintiffs' review of the database, the Court DIRECTS the Coalition Plaintiffs to identify and explain in detail the nature of Mr. Digges expertise, employment, and his expected role in the review.

(Doc. 446 at 3).

**Exhibit**  
**WD 0003**  
William Digges

**A. Mr. Digges Database Experience and Expertise**

Mr. Digges retired from IBM in 2010 after 32 years and has 25 years experience working with databases, including Microsoft Access, DB/2 and SQL. Mr. Digges has a Master of Science in Computer Information System, Regis University, and a Bachelor of Science from Fairleigh Dickenson University. His range of responsibilities for IBM, and other employment information, is described in his resume, attached hereto as Exhibit A.

**B. Mr. Digges' Knowledge of GEMS databases**

Mr. Digges also is familiar with GEMS databases. Mr. Digges has reviewed the structure and operation of the 2001 and 2002 GEMS databases from Hall County and Cobb County, Georgia. These databases are in the public domain.<sup>1</sup> He has also reviewed GEMS databases in the public domain including large post-election databases from Pima County, Arizona, and Marin County, California, which have the same file layout as the referenced Georgia's Hall County and Cobb County databases.

**C. Mr. Digges' Anticipated Role**

Mr. Digges will work with attorneys and experts in their review of non-confidential data contained in the GEMS databases and will lead the team of less-

---

<sup>1</sup> <http://blackboxvoting.org/docs/diebold/marks-gems-files.zip>

experienced analysts in their labor-intensive clerical review of the voluminous data in the databases frequently comparing that data to citizen-collected polling place documents.

The timing of Mr. Digges' involvement will depend in part upon the relief granted by this Court. Plaintiffs originally proposed that the GEMS database be produced without any confidentiality restrictions since the data is not confidential and the structure of the database is no different than the structure of other jurisdictions' databases which are already in the public record. (Doc. 441). If the Court orders the GEMS databases to be produced without restriction, Mr. Digges work will begin immediately upon receipt of the databases.

In Plaintiffs' modified proposal, set forth in its July 3, 2019 filing (Doc. 451), the GEMS databases would first be reviewed only by Plaintiffs' attorneys and experts. If the attorneys and experts identify non-confidential information that can be extracted from the databases for review by other non-lawyer, non-expert members of Plaintiffs' teams, they will identify that information to Defendants, who will have 24 hours to raise an objection. If no objection is raised, or if the objection is rejected by the Court, the Plaintiffs' attorneys or expert will provide the non-confidential information to the members of Plaintiffs' teams which, for the Coalition Plaintiffs, will be led by Mr. Digges.

Respectfully submitted this 5<sup>st</sup> day of July, 2019.

**CIVIL ACTION FILE NO.: 1:17-cv-

**DECLARATION OF WILLIAM DIGGES III**

**WILLIAM DIGGES III** hereby declares as follows:

1. I have personal knowledge of all facts stated in this declaration, and if called to testify, I could and would testify competently thereto.
2. I am a Georgia voter, registered to vote at my residence [REDACTED]  
[REDACTED]
3. I am a member of the Coalition for Good Governance.
4. I will be voting in the upcoming March 24, 2020, primary election; any other elections that might be scheduled for the first quarter of 2020, such as to fill vacancies, and plan to vote in all future elections for which I am eligible to vote. I vote in every election, of which I am aware that I can participate.

5. I plan to vote by absentee mail ballot in the upcoming elections because hand marked paper ballots will not be issued at the polling places in Cobb County on Election Day.
6. My definite preference is to vote on Election Day at my local precinct with my community and participate in the community experience, also with the benefit of the latest information on matters on the ballot.
7. I wish to cast a secure ballot that reflects my intent, but this is impossible to do by voting on the Ballot Marking Devices Cobb County plans to use in their polling places. This is because the BMDs would print my vote as an encoded barcode, which I cannot read and cannot verify before casting my vote.
8. Additionally, I am aware of the systemic problems of the electronic pollbooks during the November 2018 elections and prior elections. And I am aware that those systemic problems caused people to be sent to the wrong polling place, or be denied a ballot, or be forced to vote provisionally.
9. To ensure that I can verify my vote before casting it, and to avoid the risk of being turned away from my polling station due to electronic pollbook malfunctions, I am making the unfortunate choice to vote several days prior to Election Day by mail ballot, and unhappily giving up the benefits of voting in the polling place with my friends and neighbors.

10. I understand that I must mail or deliver my mail ballot several days before Election Day in order to confirm that it is delivered and approved in time for me to cure possible delivery failure or any technical deficiencies in the signature match or oath information details. Although this is a serious disadvantage in casting my ballot before Election Day, I will reluctantly accept this voting disadvantage for the benefit of casting a paper ballot that can be recounted and audited.
11. It is my understanding that the Dominion ImageCast ballot scanners record timestamps and other metadata with the scanned ballot images in a way that could be later be used to identify my ballot and who I voted for. I greatly value my private vote, especially where my vote might be different from friends or peers. I also do not want hackers, political campaigns, or elected officials having access to the electronic record of my ballot, which they can connect back to me. If I voted in person, I would have to cast my ballot using one of these scanners, and would thus put the secrecy of my ballot at risk.
12. I also understand that when I vote by mail, my ballot is bulk- scanned with many others, and so any timestamps the scanners create could not be used to connect my ballot back to me. My decision to vote by mail is thus also

forced on me because I believe it is the only way to protect my right to a secret ballot.

I declare under penalty of perjury in accordance with 28 U.S.C. § 1746, that the foregoing is true and correct.

Executed on this date, October 20, 2019

**DECLARATION OF WILLIAM DIGGES III**

**WILLIAM DIGGES III** hereby declares as follows:

1. I am a Georgia voter, registered to vote at my residence 3478 Chastain Glen Lane NE, Georgia 30066.
2. I will be voting in the November 6, 2018 election and plan to vote in all future elections for which I am eligible to vote. I vote in every election of which I am aware that I can participate.
3. I plan to vote by absentee mail ballot in the November 6, 2018 because paper ballots will not be issued at the polling places in Cobb County on Election Day.
4. My definite preference is to vote on Election Day at my local precinct with my community and participate in the community experience, also with the benefit of the latest information on matters on the ballot.

5. I wish to cast a secure ballot that I reflects my intent, but this is impossible to do by voting on the DREs provided by Cobb County in the polling places. Therefore, I am making the unfortunate choice to vote several days prior to Election Day by mail ballot, and unhappily giving up the benefits of voting in the polling place.
6. I understand that I must mail or deliver my mail ballot several days before Election Day in order to confirm that it is delivered and approved in time for me to cure possible delivery failure or any technical deficiencies in signature match or oath information details.
7. Although this is a serious disadvantage in casting my ballot before Election Day, I will reluctantly accept this voting disadvantage for the benefit of casting a paper ballot that can be recounted and audited.

I declare under penalty of perjury, in accordance with 28 U.S.C. § 1746, that the foregoing is true and correct.
